

Sebastian Riding Associates has been providing equine assisted learning and therapy for children and adults living with physical, mental health and intellectual disabilities since 1975. The benefits of therapeutic riding are far more than just physical; they include social, behavioral and cognitive. The horse provides the unique opportunity for growth and improvement for the body and the soul.

As a non profit, SRA relies heavily on the support of our friends in the community. The Jeopardy Ride fundraising event is critical to the success of our program. Donations are tax deductible as well!

Thank you for participating in the 2017 Jeopardy Competitive Trail Benefit Ride benefiting our program which improve the quality of life for more than 250 students annually through equine assisted learning and therapy!
