

SRA Horse Sponsorship Program — Now Available!

Did you know that the care and feeding of the horses at Sebastian Riding Associates is one of the organization's largest expenses?

On average, it costs \$3,000 a year per horse to cover basic needs, like hay, grain, spring and fall shots, and farrier visits.

We are excited to introduce a program that gives you the opportunity to support SRA in a very special way. When you sponsor one of our horses, your generosity will directly and positively contribute to the care of SRA's most precious inhabitants.

Want to know more?

- Sponsor the horse of your choice — there are 16 lovable, unique horses that would love to have you as a sponsor!
- The donation is tax deductible.
- Your name will be displayed on a stall plaque on your sponsored horse's stall door, and you'll get a shout out on SRA's Website.
- You'll receive a 2017 SRA calendar showcasing our horses.
- Best of all, you will receive either **6 free lessons** or a **\$300 credit toward your bill** at the end of a year of monthly donations of \$125/month — or receive either option immediately for a lump-sum donation of \$1,500.
- If you are not interested in the lessons, you may donate them to students in our scholarship program.
- *Knowing you have helped provide the best care for one of SRA's equine partners...priceless!*
