

# August 12-19, 2020

The 15th Annual Legs for Lindsey will be virtual this year because we love and appreciate all of the sponsors and supporters of this event and want to keep everyone safe but still want to continue to support the work of Sebastian Riding Associates.

Register for the 15th Annual Legs for Lindsey 5K via the eventbrite link and then walk, run, ride, dance or however you like to move between the dates 8/12/20 and 8/19/20.

After you complete your 5K, be sure to post pictures on our event page or tag our Facebook page so we can join in on the fun! We will send an awesome tshirt celebrating the brighter days ahead that you helped make possible!
